**In LIFE curriculum students are expected to explore something from every Theological Foundation every year and each of the Faith Statements in every band.**

Use this chart to map the progress of each class or student.

Suggested marking method:
- Use different marking colours for each school year.
- Mark the lettered box with an [X] if the goal has been satisfactorily achieved or with a slash (/) if the goal has been worked towards but not satisfactorily achieved.

Please note that, although the curriculum ‘covers’ all the goals, it is not expected that any class or individual student will deal with or achieve all the possible goals.
