UNIT SUMMARY

Students investigate the history and activities of the Lutheran Church of Australia. Students investigate the way in which Lutheran World Service helps to carry out the mission of the church in the world.
UNIT NOTES
In preparation for this unit write or fax the LCA’s Board for Church Cooperation in World Mission and Lutheran World Service to obtain information about their programs.
Gather a range of brochures, including brochures about agencies of the Lutheran Church of Australia. Students will use these as models to create their own brochure.

INTRODUCTION
1. INTRODUCING THE LUTHERAN CHURCH
Use TRS C3/1 to provide students with information about the numbers of people belonging to Christian denominations in Australia. Use discussion questions on TRS C3/1. Discuss whether all the people who say they are Christian really understand what this means. Discuss as a class: What makes a church Christian?

Although the majority of people in Australia list their religion as Christian, many Christian congregations face declining attendance.

Define Christian church as the community of believers in Jesus and not as a building or organisation.

Highlight the figures for the Lutheran church as one of the Christian denominations. Compare the census figures with the National Church Life Survey figures. Discuss:

- Do you think the people who said they are Lutheran really know what this means? Why or why not?
- What could be done to raise these people’s awareness of what it means to be Lutheran?

Suggest that the Lutheran church would like young and fresh ideas to assist them in an advertising campaign. The students will produce a brochure about what it means to be Lutheran. To prepare for this they will investigate the beliefs and practices of the Lutheran church.

Students examine a range of sample brochures to become familiar with the kind of information that is presented.

Students discuss in groups what they will need to find out about the Lutheran church in order to prepare for the brochure, eg Who started the Lutheran church? How did Lutherans come to Australia? What do Lutherans believe and do?

DEVELOPMENT
2. MARTIN LUTHER’S CHURCH
Introduce Martin Luther as the founder of the Lutheran church. Gather as many resources about Luther as possible, eg encyclopedias (including Encarta, Eternal Word (Year 7 Called to Witness, Session 39, student book, LIFE Band B TRS B3/3a,3b).

Distribute one text to each group and ask them to find five important facts about Martin Luther that could be included in the brochure.

Explain that in Luther’s time the Bible was not so readily available to all people as it is today. Only a few priests had the opportunity to read and study the Bible. When Luther became a professor of biblical studies, he began to study the Bible thoroughly. He was surprised at what he found. Like many other church members of that time, he had been taught to fear God as an angry judge. He had believed that people have to do good works to pay for their sins. The Bible said something else.

Read the following Bible passages and record the message of each verse:

- John 3:16
- John 8:31,32
- Romans 3:21–28
- Romans 5:1–5,8
- Galatians 2:1
- Galatians 3:26
- Ephesians 1:5–9
- Ephesians 2:4–9

Discuss:
- What is the Bible’s message about how people are saved?
- If you had been brought up to believe that you had to pay for your sins, how would you have reacted after reading these verses?

Tell students that Luther was angry that the good news of the Bible was being hidden from Christians. Luther protested to church leaders and was eventually excommunicated (put out of the church). The Lutheran church takes its name from Martin Luther.

Students record a key verse from those listed above to include in their brochure.

Read the sections ‘Church’ means people and The community called by the Holy Spirit and The community and forgiveness of sins, from Luther’s Large Catechism explanation of the third part of the Apostles’ Creed. Students list the key features of Luther’s understanding of ‘church’. See TRS C3/2. Discuss:

- What is Luther’s understanding of church?
- How important are the ‘word’ and ‘sacraments’ to Luther?
- Why do you think they are so important to Luther?
What do you think would be features of a church based on Luther’s teaching?

Read Luther’s Small Catechism explanation of the third part of the creed and of baptism and holy communion. List Lutheran beliefs about God’s word, baptism and holy communion.

3. LUTHERANS IN AUSTRALIA

Students explore Lutheran settlement in Australia or in their particular geographical location. Sources include: family history books, The Story of Lutherans in Australia and old LCA yearbooks. The pastor or an older church member may provide information about Lutheran settlement in the local area.

From these resources record information about
- reasons Lutherans settled in Australia
- beliefs and practices Lutherans brought to Australia.

Students select information for their brochures.

4. AUSTRALIAN LUTHERAN CHURCH

Arrange a visit to the local Lutheran church building and a talk with the pastor about the congregation’s beliefs and activities. Ask for copies of the mission statement, Sunday bulletin, membership brochures, etc.

Look at a map of Lutheran congregations in Australia. See TRS C3/3. Students locate their supporting/closest congregation on the map. Discuss the map and the placement of the congregations, eg Why are there many congregations in some areas? The Lutherans in Australia is also an excellent resource.

Students investigate the services or agencies of the Lutheran Church of Australia by doing one of the following activities:
- Use the phone book of the major city in your district to find the services provided by the Lutheran church. Discuss the services provided and ask students to record those to be included in their brochure.
- From the yearbook of the LCA find information about how the church operates, eg list four different organisations; list the names and functions of the major committees (1998 yearbook, p 30–33).
- View Hand in Hand the video about the work of the Lutheran Church of Australia. Students list the services or organisations of the Lutheran Church of Australia.

5. LCA IN THE WORLD

Tell students that the Australian Lutheran church works outside of Australia.

Groups of students look at copies of the magazine Mission Panorama, pages from the mission calendar and sections from The Lutheran, such as World View. They list activities of the LCA beyond Australia.

Students use the home page to gain information about the mission and ministry of the Lutheran church in the world.

Alternatively, groups of students examine pages from an LWS project support packet and list key facts about what the Lutheran church is doing in the world. Mark on a world map the countries where Lutheran World Service works. Students record information for their brochure.

Students list ways they could support the work of the Lutheran World Service regularly, eg having a cake day to raise money for the class Lutheran World Service membership fee.

6. LUTHERANS AROUND THE WORLD

Use the Internet to explore listings under ‘Lutheran’. Examine the home pages of Lutheran congregations (in other countries) to consider:
- What is common in Lutheran congregations around the world?
- What differences are there in Lutheran congregations around the world?

Use encyclopedias to gather statistics about the number of Lutherans in the world.

Students choose an appropriate Bible reading to include in their brochure about the Lutheran church. Consider:
- Mark 10:43–45
- John 13:14,15
- John 8:31,32
- John 13:34,35.

RESPONSE
